2020-2021 LMU Student Housing Residential Compact

As an LMU Residential Student:

- I understand that I am **required** to participate in COVID surveillance testing twice per week for the entire semester and the cost will be covered by the University. **Students who fail to comply with this testing protocol will forfeit their housing and will not be refunded their housing charges.**

- I understand that LMU has established the following requirements to create a foundation of safety and well-being for our residential communities and the individuals who live and work in these spaces.

- I will abide by these policies and understand that in doing so, I am protecting my own health and safeguarding the health of those around me.

- I acknowledge that these rules and guidelines may change as public health guidance and mandates change across the county. I agree to abide by any new or updated university rules and guidelines.

- I further acknowledge that my ability to remain in Student Housing as a resident is conditioned on my adherence to these rules, guidelines, and policies.

Protect the PRIDE

- I will do my part to Protect the PRIDE, including but not limited to:
    - Physically distance at least 6 feet from others;
    - Regularly wash hands with soap and water for at least 20 seconds;
    - Identify risks and stay away from spaces that could jeopardize my health or the health of others;
    - Designate a location for my mask/face covering so I remember to wear it at all times while outside of my private room;
    - Exercise caution when engaging with others on and off campus.

Hygiene

- I will routinely clean my residential space and bathroom to a standard that is accepted by LMU.

- I will practice good hygiene, including thorough and frequent hand washing and the use of hand sanitizer, especially when returning from outside, after using a restroom, and before meals.

Guests, Security, and Access

- I will not have guests in my residential space. I understand that "guest" herein means anyone who is not a resident of an assigned residential space or doesn't have employment responsibilities within a residential facility. This includes LMU students living in other residences on campus, LMU students living off campus, or external guests, such as siblings/family, friends from other campuses, or other non-LMU affiliated individuals.

- I will only access my own residential building and will not access other residential buildings.

- I will not provide access to my residential building or space to anyone outside of LMU staff.

- I will complete the Lion Health Check every day.

Student Conduct Code, Housing Policies, and Residential Community Compact

- I will adhere to the Student Conduct Code and all LMU Housing Policies.

- If at any point I find I am unable to comply with the rules set forth in this compact, I will remove myself from campus and complete my semester remotely. I understand that if I do not do this voluntarily, I may be removed from Student Housing at the discretion of LMU and the Student Housing Office.

- I acknowledge that these rules and guidelines may change as public health guidance and mandates change across the county.

- I will abide by any new or updated university rules and guidelines.

Social Gatherings

- LA County Public Health has prohibited indoor and outdoor social gatherings indoors. As such, we encourage students to be prudent and attentive when they travel off campus and return to their residential community. For your own safety and the health of others, residents are urged to prioritize virtual socializing and other methods of remote engagement.

- Residents are expected to follow guidance established by LMU, which eliminates social gatherings on campus.

Community Accountability

- Any alleged violations of this compact will be reviewed by the Student Housing Office and the Office of Student Conduct and Community Responsibility, which will have authority to remove a student from campus.

- The Office of Student Conduct and Community Responsibility will hold responsibility for reviewing serious concerns related to these expectations. Serious and/or repeated violations may result in removal from Student Housing and/or suspension from the university.
